

Introducing our 1st Potted Floristry Workshop specially curated for young children/preschoolers ages 3 - 9 years!

We are open to having parental involvement as well.

Check out our upcoming Courses below!

Registration for Mar 2023 School Holiday Workshop is now available.

All materials and flowers will be provided per workshop. Children will be able to choose their own choice of flowers and will learn to work with the necessary floral equipment to decorate and create their own potted jar.

Each child will bring home their very own creation and a Certificate of Participation will be awarded.
